

PRESIDENT HARDING IN POSITION TO START INTERNATIONAL DISARMAMENT

Acceptance of Allied
Invitation Clears
Away Many Barriers

COL. GEO. HARVEY TO SIT IN COUNCIL

Unofficial Representa-
tives To Safeguard
American Rights

Washington, D. C., May 7—President Harding having accepted the invitation of representation on the Allied Supreme Council, the Ambassadors' Conference, and meetings of the Reparations Committee, was in a position today to inaugurate a disarmament move among the great powers.

Ambassador Harvey for Supreme Council.
It is believed President Harding has tentative plans to start such a move through Ambassador George Harvey, who will sit with the Supreme Council. Other American representatives are Ambassador Myron T. Herrick, at Paris, who will sit with the Ambassadors' Conference, and Rowland Boyden, who will attend Reparation Committee meetings.

The most important task confronting American representatives is the settlement of the reparations question without prostrating Germany economically—second, securing recognition of American rights in the disposition of former enemy territory without involving the United States in European controversies which do not concern this country.

President Harding promptly seized the opportunity extended by the Allies to safeguard American rights by having an unofficial spokesman present at all international meetings.

ULTIMATE ACCEPTANCE OF WILSON PLANS

WASHINGTON, D. C., May 7.—President Harding's acceptance of Allied invitation for unofficial representation on the Allied Supreme Council, the Reparations Commission and the Ambassadors' Conference, means the acceptance, ultimately, it is said here today, of the plans of former President Wilson.

ADAMS IS NAMED FOR CHAIRMAN OF REP. NATIONAL COM.

Washington, May 7—John T. Adams, of Iowa, will be chosen chairman of the Republican National Committee next month, according to party leaders after a conference with President Harding. Adams is now vice chairman of the committee, and the majority of the committee members favor promoting him to the post now held by Post Master General Hayes who intends to resign.

Elmer Dover, Washington National Committeeman, a close friend of President Harding was also strongly favored, but President Harding was said to have approved the selection of Adams.

SEAMEN TO GIVE DECISION MONDAY

WASHINGTON, D. C., May 7.—Local leaders of the striking marine engineers were today being canvassed by officials of the International Union here, on their views of accepting the 15 per cent wage reduction proposed by Admiral Benson of the Shipping Board, and other working conditions proposed by Secretary of Labor Davis.

The decision of the leaders is expected Monday.

WILL HAVE TO PAY RAIL TAX

WASHINGTON, D. C., May 7.—Vacation travelers this summer may abandon hope of getting rid of transportation taxes, leaders in the House said today. No effort will be made to repeal the tax until after July, too late for effect this summer.

FAVORABLE REPORT ON NORRIS BILL

WASHINGTON, D. C., May 7.—The Senate Agricultural Committee today voted favorably on the Norris bill, providing for Packer control and regulation of the packing industry.

RADICAL ELEMENTS IN CLASH WITH FRENCH POLICE

ARE AGAINST THE OCCU-
PATION OF RUHR DIS-
TRICT. SHOTS FIRED

Paris, France, May 7—Radical elements opposed to Allied occupation of the Ruhr district clashed with police here today. Shots were exchanged between groups of Communists and squads of police in various parts of the workers' section of the city.

Only a few persons were wounded but many arrests were made, and in some instances soldiers came to the aid of the police.

CONGRESS TODAY

IN THE SENATE
Debate continues on the Young Emergency Tariff bill. A vote will probably be taken Wednesday at 3 p. m.
Interstate Commerce Committee considers resolution to reduce the freight rates on coal during the summer months.
IN THE HOUSE:
Hearings on the Scott Seamen's bill before the Merchant Marine Committee.
The Agricultural Committee continued hearings on the Packer Control bill.

ALLIED PAYMENT TO U. S. DEPENDS ON HUN REPARATION

WASHINGTON, D. C., May 7.—The payment of the Allied debt to the United States was being considered by the State Department today as relating to German reparation of her debt to the Allies, according to the views of this Government.

It was learned the ability of the Allies to pay depended upon how far Germany made payment to them, and it is believed this will be a prime factor in the United States insisting Germany make reparations when the unofficial representatives of the United States resume their places in the Allied Reparations Committee, the Supreme Council and the Conference of Ambassadors.

At the same time, officials refuse to discuss the plan to have Germany assume their debts to this country or the sale of German war debt bonds here. It is believed, however, that this matter will be brought up in negotiations between Secretary of the Treasury Mellon and the British representative.

NEW CHINA GOVERNMENT ASKS RECOGNITION

CANTON, China, May 7.—Sun Yat Sen, President of the Canton Chinese Government, today gave his policies in an exclusive interview with the United Press. His first move, after his inauguration Thursday, he said, would be to obtain foreign recognition of his Government.

British Textile Workers Consider Big Wage Cut.

LONDON, England, May 7.—Continued depression in the British textile industry indirectly resulting from the coal strike, culminated today in the decision of the Maxter Cotton Spinners to reduce wages 30 per cent.

It is believed the unions will call a strike to force a smaller wage cut.

STOCK MARKET REPORTS

American Steel Foundry 31, Crucible Steel 84 1-2, Baldwin Locomotive 91 1-2, B. & O. 41 1-8, Bethlehem "B" 63 5-8, Erie 14 3-8, Willys-Overland 9 7-8, General Electric 138, General Motors 13 5-8, Middle States Oil 14 5-8, Midvale Steel 29 1-2, Pennsylvania 35 5-8, United States Steel 85 3-8.

Leo Shade and Joseph Tony attended the dance in Osceola last evening.

May Be Next Mrs. Chaplin

Charlie Chaplin and May Collins are intently absorbed in the motorcycle races at the Los Angeles speedway, but many a passerby was more interested in these two than in the races. For rumor has it that Miss Collins may become Mrs. Chaplin.

GERMAN POLITICAL PARTIES OPPOSE DEMAND APPROVAL

The Job of Picking the
New Cabinet Proves
A difficult One.

By CARL GROAT
United Press Correspondent
Berlin, Germany, (May 7, 1921)—

Strong political elements in Germany served notice today they would not accept the allied reparations ultimatum, leaders of the Democrat and Volks party declaring they would oppose any attempt to approve the latest terms.

The attitude appears to be communicating to other political organizations, making it difficult to find candidates to replace the present ministry.

Files Resolution To To Exclude Japs

Washington, D. C., May 7.—Senator Shortridge, of California, republican, today filed before the senate the resolution of the Japanese Exclusion League adopted by the California State Legislature demanding complete exclusion of Japanese.

New Leaders?

STRESEMAN

MAYER

Two leading members of the new German cabinet, following the resignation of the Fehrenbach ministry, are expected to be Dr. Gustav Stresemann, leader of the People's party, as chancellor, and Dr. Adolf Baumbach, minister to France, as foreign minister.

CZEKO-SLAVOKIANS CROSS THE UPPER SILESIA BORDER

Are Reported to Be
Taking a Hand in
the Struggle There

Berlin, Germany, May 7.—Czeko-Slovakia was reported today to have added fuel to the international conflagration now raging in Upper Silesia.

A Vienna dispatch states Czeko-Slovakian troops in great force have crossed the Upper Silesian boundary making the fifth nation involved in the struggle arising over the recent plebiscite.

TO RESPECT PLEBISCITE RESULTS

PARIS, France, May 7.—The Council of Ambassadors, meeting here today, instructed the Allied commission in Upper Silesia to inform the people that nothing will influence them to partition that district in defiance with the recent plebiscite, and to issue a proclamation to this effect.

KENTUCKY DERBY FAVORITES READY FOR THE STARTER

AMERICAN CLASSIC DRAWS THOUSANDS TO LOUISVILLE TRACK.

Louisville, Ky., May 7.—15 three-year olds, the pick of America's track favorites, prepared to go to the post this afternoon for the Forty-seventh Kentucky Derby, the greatest and most notable track event of the year. Thousands of persons poured in on every train to attend America's greatest classic.

Fair weather, and the promise of a fast track, made joyous the hearts of thousands of horse lovers gathered here.

BANDITS GET \$50,000

Chandlerville, Ill., May 7.—Bandits today robbed the Peoples State Bank here of nearly \$50,000 in cash and liberty bonds. They blew the safe.

CENTRAL FIGURES IN MESSENGER ROBBERY HELD.

New York City, May 7.—Police today arrested two boys, Jack Silver, 21, and Louis Levine, 18, of Brooklyn, who are said to have secured \$125,000 worth of securities from H. C. Duval & Co., brokers.

They were held in \$5000 bail.

Mr. and Mrs. Harry Rauch and little son, Harry, have returned to their home in Glen Richey after spending several weeks at the home of James Spence on Cherry St. Mr. Rauch, who has been seriously ill for some time is much improved.

Mrs. William McFarland and daughter, Althea, will spend the week end in Karthaus.

Misses Agnes Groat and Maude Waple will spend Sunday with friends in Patton.

Russell Peters of Mt. Union is visiting at the home of C. F. Peters on Second St.

RELOCATION OF THE P. & S. R. R. TRACKS NOW IS ORDERED

HARRISBURG, Pa., May 7.—Relocation of the tracks of the Pittsburgh and Susquehanna Railroad Company and substitution of another grade crossing, was ordered by the Public Service Commission today, upon complaint of the State Highway Department.

It was represented that the tracks as now laid are dangerous to traffic. They are located in Decatur township, Clearfield county, south of Osceola.

FILES DAMAGE SUIT AGAINST MARY PICKFORD

Los Angeles, Cal., May 7.—Mary Pickford was made defendant in a damage suit for \$11,375 filed against her here today by David K. Smith, a former director employed by her. He claims he was discharged two weeks after he was hired in defiance

ADDRESSES DUBOIS ROTARY CLUB

DEPicts AMERICA AS
LEADER IN WORLD
PROHIBITION FIGHT

DuBois, May 7.—Ex-Governor Malcolm Patterson, of Tennessee, was the guest of honor at the weekly Rotary Club meeting held here last night.

In his speech the Ex-Governor dwelt at length upon the prohibition laws of the country and effect drink has on mankind in general, relating the difference between drinking and non-drinking men.

America a Leader.

"America," he said, "As a leader, must set the example for other countries. They look toward the United States to guide them and world prohibition depends on whether or not national prohibition is enforced in this country sufficiently to abolish liquor as a beverage."

TWO CUB BEARS ARE CAPTURED AT IDLEWILD

Ridgway, May 7.—Two cub bears were captured Thursday morning near Idlewild, by Mrs. John Burns, of Idlewild, and George McDonald of Croyland. They were turned over to proper authorities and sent to Harrisburg.

The cubs were captured in a culvert.

STATE FAIR BILL ASKS FOR \$15000

Harrisburg, May 7.—(United Press) The bill creating a state fair commission which went to the governor after it passed both houses of the legislature during the closing hours of the session last week is a redraft of the original bill that called for a \$25,000 appropriation and was cut to \$15,000.

It was pointed out that the original bill was so worded that a much larger appropriation than \$15,000 would be needed. The plan for a state fair was later extended from an agricultural exhibit to be held annually, to one including all the arts, especially the products of the manufacturing industries of the state.

Many interesting features are contained in the new bill, which the governor is expected to sign in a few days. One of them is that relating to the formation of the commission. The bill now includes the governor, the secretary of agriculture, the superintendent of Public Instruction and the commissioner of Labor and Industry as members ex-officio of the commission.

In addition there will be seven members appointed by the governor with the advice and consent of the senate. Three will be appointed for four year terms, two for three year terms, and two for two year terms of the first appointments. After that they are to be appointed regularly for four years. They are to serve without pay, but will receive expenses.

Mrs. Katherine Dale will spend Sunday with friends in Curwensville. Miss Elizabeth Flegal of Morrisdale is visiting her aunt Mrs. Clark Flegal for a few days.

FORD CAR STOLEN ON FIRST STREET FRIDAY NIGHT

Local and State Police
Search For the
Missing Automobile.

Mr. and Mrs. E. C. Everitt and another couple of Lumber City people drove to Clearfield last evening for the purpose of attending the High School play. They parked their Ford car on First street, near the School building.

At the conclusion of the show when Mr. Everitt went for his machine he found it missing.

Chief of Police Hitt and the local State Police were notified of the theft. They immediately took up the search. It was stated the thief or thieves started toward Curwensville with the stolen car and Chief Hitt notified Chief Clark to be on the lookout for it. He also notified constables and police along the line to Phillipsburg.

Think Joy Riders Took Car

The Chief and State Trooper Snyder secured a car and began a search for the missing auto. They quickly ran up to Curwensville but the thieves had not taken that route.

Then a return trip was made and he chase continued toward Phillipsburg, but no trace of the missing car could be found.

The police are of the opinion the car was taken by local young men for joy riding purposes. There have been more or less complaint regarding the actions of a bunch of boys old enough to know better, who are laying a trail direct to one or more of the penal institutions with which Clearfield county does business and they don't want to meet with disaster they had better change their tactics.

There is entirely too much of this mart Alec business, as not more than month ago a rim and tire was stolen from another out of town school building. Such happenings do the town no good and every good citizen should lend his aid toward rounding up the perpetrators of such outrages. The stolen car is almost a new Ford, with license No. 46-739 and engine and manufacturer's No. 3,398,199.

Linda Vontey, 16 years old, and Evelyn Eich, 15 years old, both of Phillipsburg, were picked up at the Pennsylvania station here this morning by Chief of Police Hitt after questioning them, learning enough to cause him to believe the girls knew something of the stolen car.

The girls were taken to Phillipsburg in a car and the missing Ford was found along the street near the Pritchard Garage.

The supposition is that two local young men swiped the car and drove over to Phillipsburg, where they left the stolen car and brought the girls back to Clearfield in another machine.

Stillman's Job

Charles E. Mitchell, president of the National City Company, succeeds James A. Stillman as president of the National City Bank. Stillman is supposed to have sailed for Europe after resigning his office.

MOTHER'S DAY AT WEST SIDE M. E. SUNDAY SCHOOL

The West Side Methodist Sunday School, which has been in the lime light so much of late on account of its miraculous growth in attendance is looking forward to next Sunday "Mothers Day" as a Red Letter Day. This thriving little Sunday School which ten years ago counted 200 a good attendance, today feels disappointment if the attendance falls below 500.

Superintendent Shaw has made arrangements to have automobiles call for MOTHERS and their families who have no other convenient means of getting to the Church.

Try a Want-Ad.

MOVE ON FOOT TO REPAIR THE FOUR MILE ROAD

State Forester And
Volunteers to Tackle
Job May 13-14.

HIGHWAY SERVES HUNTING CAMPS

And Is Almost In
Unpassable Condition
Repairs Required.

State Forester William F. Dague and his crew have been engaged for some time in repairing and fixing up the roads through the State forests in this section. The "four mile road" which connects the Penfield and McGeorge roads has been well nigh impassable for some time and considerable work has been done on this piece.

This road serves a great many of the hunting camps on the mountains and as a number of hunters interested in these camps have signified their willingness to assist in putting this road in shape for travel Mr. Dague has asked to select a date suitable to him and then notify all volunteers of his fixed time in order that a united effort might be made to put the road in condition for automobile travel.

In accordance therewith next Friday and Saturday, May 13th and 14th, as been selected. The State will provide a team and truck and crew of six or eight men. Open to all, will also furnish a team and several men and much hunting camp in the area benefited by the road.

This is a fine opportunity to get the road in shape and if the camp owners and hunters would please be on hand to assist in the work, the road will be in good shape for the season.

AMERICAN SUITS KILLED BY BOY'S RIFLE

JOHN WISE, 14, of West Side, who it is remembered, was shot and killed seriously injured while sitting in the kitchen of his home at Fernwood, near Jamestown, on November 8th, 1920, has entered suit in the Clearfield county courts in an effort to recover \$15,000 damages for the injury caused by the bullet which struck him.

The suit was entered in Prothonotary Ralston's office yesterday by Chase & Chase and John C. Arnold, who represent Mr. Wise.

The shooting of Mr. Wise was due to carelessness and negligence, according to the statement filed. The defendant in the case is Joseph Getanella, alias Joseph Gattinella, r., of Fernwood, and the shooting as done by Joseph Getanella, Jr., a 14 year old son of the defendant.

The statement alleges that the defendant was guilty of gross carelessness and negligence when he gave his son the dangerous weapon employed in the shooting, viz, a .22 calibre rifle. That the boy was shooting in a reckless and careless manner near the Wise home when a bullet from the gun passed through a crack in the wall and striking Wise in the left chest, pierced his lung and imbedded itself in the left lobe of his liver, causing internal hemorrhage and endangering his life. By reason of such injury he endured much pain and suffering, was put to a great expense for medical and hospital treatment and also suffered great loss in earning power.

The entire damage is fixed at \$15,000, and suit brought for that amount.

The suit was placed on the list for September term of court.

NEW AIRPLANE LINE

7:30 p. m. Public worship and sermon. Subject: "Robbers." The eighth of the series of sermons on the Ten Commandments.

Tuesday 7:30 p. m. First Quarterly Conference.

Wednesday. Conference on Children. Work sessions at 2 p. m. and 7:30 p. m.

To all the services of the church the general public is most heartily welcome.

SUFFERED ALL A WOMAN COULD

Mrs. Meyer Finally Found Relief and Health in Lydia E. Pinkham's Vegetable Compound

Orange, Cal.—"I always feel very grateful to you, as some twenty years ago three doctors said I had to have a serious operation. I had a tumor, and ulcers which would gather and break. I had displacement so badly that I could hardly sit down; at times, and it seemed as if I suffered everything that a woman could suffer. Then some one advised me to take Lydia E. Pinkham's Vegetable Compound, and I took it until I was cured and saved from the operation. I have told women of your wonderful medicine times without number, and I am willing that you should use these facts and my name if you like. I also used your Compound during the Change, and I can do all my own work but the heavy part, and can walk miles every day as I help my husband in the office."

—Mrs. J. H. Meyer, 412 South Orange St., Orange, California.

It is quite true that such troubles as Mrs. Meyer had may reach a stage where an operation is the only resource. On the other hand, a great many women have been restored to health by Lydia E. Pinkham's Vegetable Compound.

THE GRANARY

A Column of News and Timely Topics for the Man Who Feeds the World

WHICH WILL IT BE

Now that the price are on a toboggan slide, we ask, "What of the farmer?" Yes, what about the farmer—will he lose his faith? Will he "close shop" and go a-fishing? Why this fear concerning the man of the soil? The American Farmer will never close shop, for he is born of a big optimism. He has been and always will be the "balance wheel" of the Nation. One thing is sure—the farmer will never be wanting a job for the perpetual task of food production is his. Billions must be fed and clothed; and thus the whole world will continue to demand all the products of the farm. The future food supply of America must be produced on the land.

land and a number of farmers. According to the United States Secretary of Agriculture, the selling price of land in this country increased 65 per cent. during the last five years, and the census figures seem to show that we now have nearly 10 per cent. less farm workers than in 1910.

HASTE MAKES WASTE IN PLANTING

If there is one place where it pays to make haste slowly, it is in the preparation of seed beds and planting. It is mighty easy in the stress of spring work to plow a field a day or so to soon, to harrow it in the rain or plant it in the mud. But such hurrying never pays.

MOTHER'S DAY FOUNDER CALLS ON MOTHERS TO AID SOLDIERS

MISS ANNA JARVIS

Philadelphia, May 7.—Mother's Day, which will be celebrated tomorrow, will mark the start of a campaign by American mothers in support of the American Legion's effort to obtain justice for disabled veterans and employment for the thousands of idle ex-service men.

Miss Anna Jarvis, president of the Mother's Day International Association with national headquarters in this city, is at the head of this movement.

PAIGE

The Most Beautiful Car in America

The Qualities of a Champion

World's Championship form is the best guarantee of all 'round efficiency that the sporting world affords. That is the real significance of our great victory with the Paige "Daytona" 6-66 model on January 21st.

When this car won the world's stock chassis record by traveling at the rate of 102.8 miles per hour it proved itself, not merely a fast car, but a superlatively fine engineering achievement.

You can establish this fact for yourself by riding in any Paige 6-66. Then, at a mere snail's pace or with the throttle half open, you will sense the finely balanced construction and immense reserve power that is basic and fundamental.

We invite you to test the 6-66 and compare it with any other car—at any price—on the American market. If you once know that exclusive power plant you will know the Paige story as no words can tell it.

WOODLAND

Rev. and Mrs. Houser and children and Mr. and Mrs. W. E. Davis, of Clearfield, were guests last Thursday, at the home of Mr. and Charles Palmer.

Miss Edna Pickles went to Bellefonte on Friday last, with the Philipsburg High School track team.

Cecilia Baker attended the Freshman party at the Clearfield High School building last Friday evening.

Eugene Herbert of the U. S. S. Nevada, arrived at his home here last Friday evening, on an eighteen day furlough. Since visiting his home on Christmas, he has been with the fleet of which his ship is a part, on a cruise to Cuba, through the Panama Canal to South American ports on the Pacific. He enjoyed this trip immensely and reports quite a lively and exciting time crossing the Equator. He expects to go with the fleet on a trip across the Atlantic soon. The fleet was reviewed by President Harding while in Hampton Roads, Virginia, a week or so ago.

Last Friday evening, while moving a wardrobe, Mrs. Roy Hull, of Mineral Springs, was so unfortunate as to get her hand caught between the door frame and the wardrobe, with the result that two of her fingers were broken and the hand badly bruised.

Mrs. M. A. Peters, Mrs. Reed Darger, Mrs. Jonathan Wisor and daughter Esther, spent Thursday with relatives in Clearfield.

Miss Alice Graffius, a Government employe at Washington, D. C., arrived home Thursday to attend the funeral of her grandfather, Jerry Graffius.

Dr. G. B. Shivery has purchased a new Marmon car.

Mr. and Mrs. J. N. Palmer and daughter Rose, visited friends in New Washington over Sunday.

Mr. and Mrs. Edward Wisor took supper with Mr. and Mrs. Abram Pearce of Bigler, on Friday.

Prest-O-Lite STARTING & LIGHTING Storage Battery

Has your battery anything "On the Bench"?

THERE was once a Baseball Manager whose two star pitchers looked invincible—before the game. But there came the baberuths. . . . And the Manager Surveyed the Bench in Dismay.

There are motorists who start out with a battery of no reserve power. And they run that battery down quite unconsciously. They are shocked one day to discover that everything has been "knocked out of the box" just when they need a start most!

The Prest-O-Lite Battery uses less than one four-hundredth of its power-reserve for a single start—and the generator quickly replaces that.

ODDS AND ENDS AND THINGS

"By Skinny"

The strangest war book yet published is about to make its appearance in France. It was written by scores of men, not one of whom is now alive. The idea was conceived by the Union of French Fathers and Mothers, an organization of parents who lost sons in the war.

The book is composed entirely of letters written from the front, published in chronological order and reciting episodes of the big battles. It concludes with two letters written by young Frenchmen who were killed on the morning the armistice was signed.

The time-honored theory that "lightning never strikes twice in the same place" is all wrong, according to the forest experts of the United States Department of Agriculture. They say that if an electrical bolt has flitted with your house on one occasion, don't think that ends it. On the contrary, you are more than likely to have the visitation repeated, for, says the Department:

"A lightning has its zones—in other words, where its appearance may usually be counted on with each electrical storm."

These zones could easily be mapped out and protective measures introduced, the foresters believe.

Mrs. Woodward Hall and daughter, Avenelle, are visiting the former's parents, Mr. and Mrs. Gaylor in Mahaffey.

Mrs. Morningstar and Miss Ollie Stott of Philipsburg spent yesterday in town.

William Merrow, Tom McGoey, and Bill Connelly attended the dance in Osceola last evening.

promptly at ten o'clock Sunday morning. Plans have been made for hauling all the mothers and aged people who have no way to come. Please leave word with Mr. J. N. Palmer, Mr. J. V. Knepp, Mr. G. W. Muir, of anyone who should be hauled.

The Great C. E. Rally at the Woodland U. B. church still swings on merrily, with the two sides with in five points of each other. Don't miss a meeting, for they are all worth while. Join the C. E. Red or Blue, either one will do, for we surely need you. With members a plenty, All going some, We'll win the Grand Banner, Nineteen Twenty One.

By Carrier 12 cents per Week Payable to Carrier

Entered at Post Office at Clearfield, Pa., as second class matter.

The Grand Jury for May term, which completed its inquiry and made report of its findings Thursday evening, was a forward looking body of men and from their report are believers in the old adage, "a stitch in time saves nine."

They recommended many repairs and improvements about the Court House and other county buildings.

Among other things they recommended a "Rest Room," or Comfort Room, chiefly for the use of persons attending court, be built or arranged for. This is a sensible recommendation, as there has long been a crying need for such accommodation about the Court House, and it is hoped it will be acceptable to both the Court and County Commissioners, and the suggestion acted upon just as soon as it is possible to do so.

Persons attending any session of court will testify to the necessity for additional accommodations for both litigants and witnesses.

Clearfield county is twenty-five years behind the times in this regard. This Grand Jury, appreciating the need, suggests or recommends the remedy. The "Rest Room" should be provided.

"MOTHER'S DAY"

Sunday, May 8th, has been set aside in churches all over the United States as "Mother's Day." In the crowded pews of the city cathedrals to the rough benches of the little country chapel, sons and daughters of the country will congregate to do honor to "Motherhood." Mother's life is one of sacrifice and it is fitting that one day in each year should be devoted to a public acknowledgment of our debts to her. On the other hand, it would be necessary for a son or daughter to set aside a special day to tell Mother how her faith for her children is appreciated—it should be evidenced every day in the acts of her boys

and girls, in the thousand and one ways in which the love for mother unconsciously crops out.

ST. JOHN'S LUTHERAN CHURCH

E. Roy Hauser, Pastor.

Corner Pine and Third streets.

9:15 a. m. Sunday School

Progress Want Ads Get Results

The FRANKLIN

THERE is one main reason for the sales records the Franklin has established since the present period of readjustment set in. The Franklin Car gives exactly the sort of performance the times call for.

Men—and women, too—are applying the same strict standards to their motoring that are being applied to business. The Franklin measures up to these standards. In all its 19 years, it has never countenanced waste in any form.

It does not waste gasoline by carrying superfluous weight. It does not waste tire and car life through rigidity that transmits road jolt and jar. It does not waste power by employing an inefficient cooling system.

Light, resilient and direct air cooled, it turns every drop of fuel into useful work, gets every possible month of wear from the tires, every possible year of service from the car.

Inevitably these business advantages are accompanied by more personal ones. Franklin comfort, ease of handling and freedom from worry and work are out of the ordinary, too. Base your judgments on these actual owners' averages:

20 miles to the gallon of gasoline
12,500 miles to the set of tires
50% slower yearly depreciation
(National Averages)

"I write to congratulate you on the record your company is making. Your company stands out in the automobile field as an exception of note."

—A Prominent New York Bank President.

An extract from one of many letters—all to the same effect—which the Franklin Company has received from people in close touch with the business situation.

DIRECTORS THAT REALLY DIRECT

The directors of the County National Bank are experienced business men, well acquainted with general as well as local business conditions.

They meet daily to pass on applications for loans and other business. It is their business to see to it that the affairs of the bank are carefully managed.

How well they attend to their business the bank's progress indicates.

Mrs. Mary A. Burge of Grampian is spending a few days with Mrs. William Eisenhauer on Market St.
Mrs. Jay Murphy and Mrs. Jerry McNaull of Curwensville shopped in town yesterday.

AT THE UNITED BRETHREN
CHURCH THURSDAY NIGHT
The Otterbien Guild Society of the United Brethren church held their regular monthly meeting at the church Thursday night. The invited guests of the evening were the Women's Missionary Society and their husbands.

The following program was rendered:

Scripture reading—Miss Anna Bowman and Mildred Hoover.
Recitation—Harold Yeager.
Recitation, Missionary Plea—By Miss Pansy Curry and Mrs. Earl Yeager.

A dialogue—"How Not To Do It", by Miss Anna Bowman, Elizabeth Heck, Merlyn Welch, Myrtle McFarland, Mary Barton, Kathrine Alban, Pansy Curry and Mrs. Earl Yeager.

Following the presentation of the entertainment, refreshments were served in the basement of the church. Over 52 members and their guests passed an enjoyable evening.

Mr. and Mrs. Wade McDowell, of Juniata, Mr. and Mrs. Willard Gearhart and son, Owen of West Decatur, spent yesterday with Mr. and Mrs. L. D. McDowell on Dorey St.
Morris Bush, of Bigler, spent yesterday in town on business.
Miss Teresa Eisenhauer spent today with friends in Curwensville.

SWEEPING PRICE CUTS ON ELECTRIC SWEEPER VACS

Price reductions that are more than passing notice have been made in this electrically driven brush electric sweeper.

Sweeper-Vac sweeps as cleans—combining the qualities of the ordinary vacuum cleaner and a sweeper. The brush gathers up the loose dirt and germs, the suction carries them away.

And—you can now buy this wonderful sweeper at a great reduction over the former price!

Come to the store and see the SWEEPER-VAC work.

HERE'S WHAT THEY THINK

Plymptonville, May 6, 1921

Dear Editor:

In last evening's issue of the Progress some one made honorable mention of Clearfield's famous dump heap. They also referred to the attitude of the people living near there. Now "just mad" is an extremely mild word compared to what some of them think. Even the best natured of these people fully realize the injustice that is being done them. Again they say "Clearfield will soon be the clean, bright town our people love to boast about."

At the same time the residents living in the vicinity of the dump heap are beginning to wonder how many years it will be until they are buried beneath an avalanche of debris.

Yours truly,
R. F. D.

Marked Era in Journalism

The Edinburgh Review, established in 1802, was the first high-class critical journal to find a permanent footing and achieve success. Its founders were Jeffrey, Scott, Horner, Broughman and Sydney Smith and under them it developed a new era in periodical criticism, having a wider range and more elevated tone than any of its predecessors.

Build With Humphrey Hollow Tile

It's cheaper than brick, it lays so much quicker than brick, it is just as strong or stronger than brick so you can readily see where the economy lies in using this material. We have plenty for you

E. M. Fullington's

Fordson

TRADE MARK

The Fordson saves from thirty to fifty per cent. of the farmer's time.

The Fordson plows, harrows, drills as much ground in the same time as from four to six horses. (Many farmers say it does the work of eight horses.)

The Fordson does for the farmer just what machine power does for the manufacturer—it enables him to manufacture his product at less cost. And that is what the farmer wants to do; grow his crops more cheaply and make his margin of profits greater. And the Fordson will help him do it.

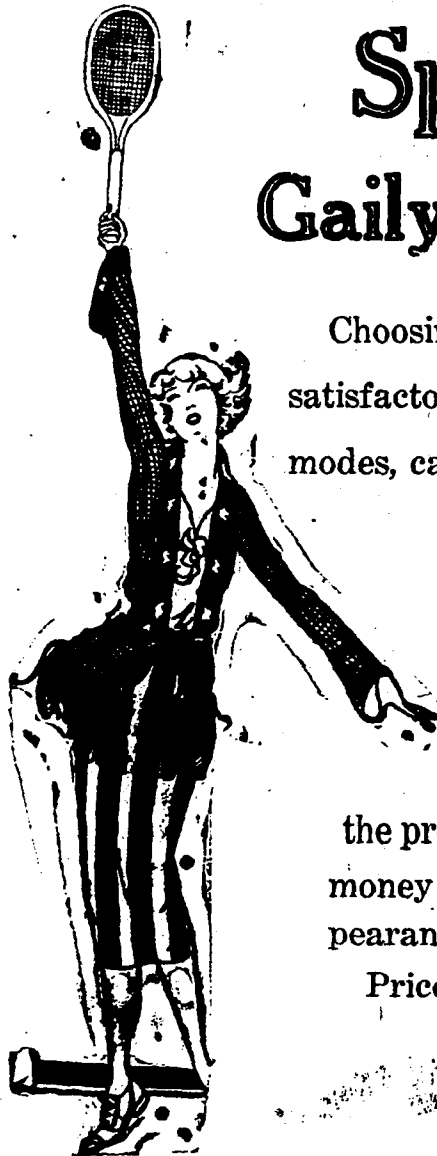

Let us prove this to you by a demonstration on your own farm. Just phone us or drop us a card.

Goodrich Price Readjustment Endorsed By Users and Dealers Throughout The Country

The decisive reduction of 20 per cent, in the prices of Goodrich Silvertown Cords, Goodrich Fabrics and Goodrich Inner Tubs which took effect Monday, May second, received the endorsement of both tire users and dealers.

It was accepted at its full face value as a helpful economic move in tune with the times. It conforms to present conditions and carries out in a straight forward way constructive methods.

Goodrich Tires have earned their reputation and standing with motorist by sheer quality of construction and complete dependability of service.

Quality in a tire rests not only upon the materials of which it is made, but also upon the experience and skill of its makers.

Every advance in construction improvement in making, with many exclusive betterments, is in the Goodrich Tires you buy today.

Your Goodrich dealer is ready to supply your need.
